HEALTH PROTOCOLS

The BMDCNC has planned these tests in accordance with public health requirements in place as of the publication of the premium list. The health and welfare of our exhibitors, judges, club members, and all who work to make the shows a success is paramount. By attending you agree to follow any protocols that may be in effect during the dates of this test for the state, county and/or host facility where the event is being held.

If you have any symptoms associated with COVID, RSV or the Flu, or believe you have been exposed to these diseases in the 5 days before these tests, we ask that you follow recommended health safety protocols if you will be attending this event.

WE WELCOME SPECTATORS!

Come watch the teams at work or even help out for a day – there are a lot of ways you can participate while learning more about the art of canine draft work! Un-entered dogs may also be present but must be leashed or crated and under control at all times. Please show courtesy to the working dogs by keeping all dogs at a reasonable distance from the ring, and do not allow them to foul the freight haul. Remember to always pick up after your dogs.

BMDCA DRAFT TEST PURPOSE

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

REGULATIONS

Draft Test Regulations: Entrants are responsible for obtaining the BMDCA Draft Test Regulations (revised as of Jan. 2023) and being familiar with them.

Misconduct Disciplinary Procedure: The BMDCA and the DWC take dog aggressions very seriously and shall investigate and penalize such incidents, including but not limited to withholding titles. By participating in or attending this Test, you understand and agree to the terms of the Misconduct Disciplinary Procedure as outlined in the current Draft Test Regulations.

WAIVER OF RIGHTS

Animals in Distress: The Bernese Mountain Dog Club of Northern California reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending these dog events hereby waive any claim for damages against the clubs for such removal. The Club regards the health, safety and life of any dog on the show grounds to be paramount to other property or privacy rights. We will attempt to reach the responsible party but cannot guarantee contact will be made before action is taken.

OUR TEST SITE: BOHLIG HAUS

5355 Timberland Drive, Foresthill, CA 95631

Our test site is in the Gold Country community of Foresthill and situated on the bucolic four-acre homestead of BMD CNC members Larry and Lita Bohlig. One of the earliest areas of California explored during the gold rush, Foresthill is identified as California Landmark No. 399 and has hundreds of mines along the North and Middle Forks of the American River, with some still actively working. You can learn more about the town and the area at <https://www.foresthillchamber.com/>

Directions

BEWARE: Google Maps may tell you to turn left on Thomas St. BEFORE Worton's and go to Power Line Road. You CANNOT get to Bohlig Haus on Power Line Road!

- From I-80, take the Auburn Ravine/Foresthill exit (Exit 121).
- Turn east onto Auburn Ravine / Foresthill Road.
- Continue straight on Foresthill Road for 15.9 miles.
- AFTER you pass Worton's Market on your right, make a left turn onto Timberland Dr.
- Follow Timberland Drive 0.7 miles as it jogs left and then right, and the Bohlig Haus driveway is at the end of the road on the right.

If you will be arriving midday, or will be a Late Check-In Exhibitor, please take care when entering the property. The entry drive parallels the Draft Course Ring and there may be a Team being judged as you drive up, and once you enter the property you will cross areas being used for the Freight Haul. Please stop at the top of the driveway gate and wait for a volunteer to safely guide you to a parking space past our Exhibitors and Spectators.
