G	A Brief History of Carting	G	Types of Draft Work

After our "book learning", we will take a short play break to exercise the dogs, then try our hand at some of our newly learned skills. We will work with all teams on an individual basis to progress through as many training steps as they are willing to try, and prepare you to continue your own training. We will have a variety of gear on hand, as well as some seasoned teams demonstrating teamwork in the sport of draft.

Our goal is to transform you and your dog into a proficient and happy draft team!
